As the son of the reigning king of Arundel, Erik has never backed down from a challenge. He goes after everything with a boldness that sometimes gets him into trouble. But when it comes to matters of the heart, he's been stalling for years because he can't rid his mind of doubts and fears. Lance couldn't be more surprised when he finds out Erik is interested in him. But as he thinks about it, he realizes he's been deflecting the man's attention for years. He can't deny his attraction to the prince, but he also knows they can't ignore his old grudge against Erik's father, or Erik's past struggles with Marcus, the only father figure Lance has ever had. Can they work through it all to find their way to each other? Or will their love be over before it's begun?
