Landscape Detective: Discovering a Countryside Richard Muir

The countryside is a gigantic puzzle which contains within it the keys to its own history. This book takes the reader through the process of landscape detection, by way of a journey through a fascinating landscape in the Yorkshire Dales; The countryside is a gigantic puzzle which contains within it the keys to its own history. This book takes the reader through the process of landscape detection, by way of a journey through a fascinating landscape in the Yorkshire Dales. Richard Muir shows how exploring landscape history can be compared to investigating a crime. The detective analyses different kinds of evidence to construct what happened, when and why. Along the way he or she has to interpret all sorts of complex material. Gradually, as the evidence accumulates, the past comes
