Masones en el Atlántico. Tomo III (Escuadra y Compás) (Spanish Edition) Manuel de Paz Sánchez

Este tercer volumen de Masones en el Atlántico recoge, como sucede en los dos tomos precedentes, diversos ensayos y artículos del autor, no solamente referidos a Canarias, sino también a otros enclaves de interés como Cuba o Marruecos, sin olvidar breves incursiones en temas de interés más general. El estudio se completa con más de cien biografías de masones canarios o que fueron iniciados en Canarias, particularmente en Tenerife. Varios de estos masones proceden de Puerto Rico, Cuba o bien de diversos lugares de la Península Ibérica. Buena parte de estas biografías han sido redactadas expresamente para este volumen, al objeto de ofrecer una muestra significativa de la diversidad de personalidades y de los masones menos conocidos que constituyeron las logias canarias de los siglos XIX y XX.
