Ireland, home of legendary poets and storytellers, has been wracked by bloody sectarian violence over the last quarter century. Bombs and guns were, and once again are, the primary negotiation tools used by Catholic and Protestant extremists in the conflict surrounding the sovereignty of Northern Ireland?the six counties known as Ulster.

Patrick Taylor's *Only Wounded* centers on the hopes and despairs of everyday life during The Troubles. *New York Times* bestselling author Patrick Taylor traces an intricate narrative path through Ulster, detailing sensitive, unbiased portraits of the ordinary?and not so ordinary?people caught in the partisan brutality of Northern Ireland.
