The punishment goes too far. Spencer Edelton, the Marquess of Carey, had intended to provide Miss Beatrice Primrose a set-down for what she had done to his brother and cousin. But Miss Primrose is proving much harder to tame than he expected. The wicked temptress has ignited a raging lust that threatens to consume him. Beatrice has no intention of falling for the overbearing Marquess, but her body cannot resist his touch. More and more, she finds herself wanting the pain and pleasure of submission. But when Lord Carey discovers the worst of her crimes against his brother, will the retribution he seeks be too much for her to handle?
