Rescued in the Night - Saved by my Bad Boy Neighbor Series Book 1: An Alpha Male Romance Emily Dawn

My name is Jeanine, and I really miss my neat, normal life.

Mostly.

When my audit of a big pharmacy company comes up with some drug running information that can get me *killed*, I'm not exactly thrilled to be running for my life with my rough and tumble hard-case of a neighbor, Danny. He's bossy and forceful, and he also saved my life.

He's a jerk. A hot, hard-bodied jerk. With steel grey eyes. And even though I'm exhausted and can't think straight, and these men are trying to kill me to cover up the company's corporate crimes, I can't take my eyes off of Danny.

** This is Book 1 of the "Saved by my Bad Boy Neighbor" Series. It's a quick read (an hour or two), it's riveting with suspense and action, and it's hot and steamy as hell. If you like a story about a normal, slightly overweight everyday girl hooking up with an alpha bada\$\$ to save her skin, dig in and enjoy. I promise there'll be a happy ending.
