Jackson Gannon is a lawyer. He's no kind of hero. But when his sister is murdered in Shanghai while conducting a tour for a group of executives, Jackson is determined to find her killer. He's given his first clue, and he follows it to the bucolic University town of Princeton, New Jersey. He finds more than he's looking for there, in the form of a beautiful woman named Ariadne. Justice for his sister Lauren will take Jackson beyond Princeton, into the lives and against the ambitions of people who consider themselves greater than the mass of men. *The Lives and Deaths of Lesser People* is the latest novel by Thomas Paulson, following *Quiet Desperation* and *This Too Shall Pass*. *The Lives and Deaths of Lesser People* is Paulson's largest and most mainstream suspense novel to date.
