## **What If?** Anthony Capuano

I'm writing this book on behalf of all the people in this world, who had dreams and goals, growing up as a kid and later in life as an adult, who always looked back and said What If? My story is based on my life experiences, growing up in a small southern New England city in Bridgeport ,Connecticut. As I look back I now find myself saying What If? So in reading my book and reading my life experiences growing up in the sixties and right thru to the present, keep in mind as you read my experiences say to yourself What If?

Because at 56 years old I surely do ask myself looking back. The book is dedicated to my mom and dad, my nephew Mike and my grandparents who all have since passed on. I'm sure they are in heaven saying What If?
