Umberto Eco

El Nombre de la rosa (Contemporanea (Debolsillo)) (Spanish Edition) Umberto Eco

La novela emblemática de Umberto Eco

Valiéndose de las características propias de la novela gótica, la crónica medieval y la novela policíaca, *El nombre de la rosa* narra las actividades detectivescas de Guillermo de Baskerville para esclarecer los crímenes cometidos en una abadía benedictina en el año 1327. Le ayudará en su labor el novicio Adso, un hombre joven que se enfrenta por primera vez a las realidades de la vida, más allá de las puertas del convento.

En esta primera y brillante incursión en el mundo de la narrativa, que Umberto Eco llevó a cabo hace ahora treinta años, el lector disfrutará de una trama apasionante y de una admirable reconstrucción de una época especialmente conflictiva de la historia de Occidente.

Reseña:

«Aquí hay misterios turbadores, personajes vívidos, un retrato logrado de una época fascinante, humor sutil, sucesos inesperados y una prosa ágil que puede adaptarse a los registros de la fe, la duda, el horror, el éxtasis amoroso y la desolación.»

David Lodge **ENGLISH DESCRIPTION** The year is 1327. Franciscans in a wealthy Italian abbey are suspected of heresy, and Brother William of Baskerville arrives to investigate. When his delicate mission is suddenly overshadowed by seven bizarre deaths, Brother William turns detective. His tools are the logic of Aristotle, the theology of Aquinas, the empirical insights of Roger Bacon—all sharpened to a glistening edge by wry humor and a ferocious curiosity. He collects evidence, deciphers secret symbols and coded manuscripts, and digs into the eerie labyrinth of the abbey, where “the most interesting things happen at night.”
