The how-to guide for SNF evidence-based practice implementation

Successfully implement evidence-based practice (EBP) in your facility with this how-to guide. The authors provide easy-to-understand guidance on the fundamentals of EBP and on how to create a culture of EBP that all staff will embrace. To ensure a smooth transition, you'll get case studies and exercises, helpful checklists to reinforce the text, and examples to help you implement EBP in your own facility.

Evidence-Based Practice in Long-Term Care: Solutions for Successful Implementation will help you:

- Employ strategies to apply EBP through successful case studies presented in the text
- Achieve organizational support for EBP theory by illustrating tangible resident quality improvement
- Standardize skilled care with consistent resident treatment, while minimizing the variability in care
- Review and revisit policies and procedures on a regular basis to ensure your efforts reflect the most recent EBP standards
