Humanitarian Intervention (War and Conflict in the Modern World)

Thomas G. Weiss

Humanitarian Intervention (War and Conflict in the Modern World) Thomas G. Weiss

A singular development in the post-Cold War era is the use of military force to protect human beings. From Rwanda to Kosovo, Sierra Leone to East Timor, and Libya to Cote d'Ivoire, soldiers have rescued civilians in some of the world's most notorious war zones. But what about Syria? Why have we observed the Syrian slaughter and done nothing? Is humanitarian intervention in crisis? Is the so-called responsibility to protect dead or alive?

In this fully revised and expanded third edition of his highly accessible and popular text, Thomas Weiss explores these compelling questions. Drawing on a wide range of case studies and providing a persuasive overview of the theory and practice of humanitarian intervention in the modern world, he examines its political, ethical, legal, strategic, economic, and operational dimensions to highlight key debates and controversies. Neither celebratory nor complacent, his analysis is an engaging exploration of the current quandaries and future challenges for robust international humanitarian action in the twenty-first century.

From reader reviews:

Anthony Pisano:

Why? Because this Humanitarian Intervention (War and Conflict in the Modern World) is an unordinary book that the inside of the book waiting for you to snap the item but latter it will zap you with the secret it inside. Reading this book close to it was fantastic author who else write the book in such amazing way makes the content on the inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This unique book will give you a lot of positive aspects than the other book have such as help improving your talent and your critical thinking approach. So , still want to hold up having that book? If I were being you I will go to the reserve store hurriedly.

Mark Feaster:

Reading a book to get new life style in this 12 months; every people loves to read a book. When you read a book you can get a lots of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what forms of book that you have read. In order to get information about your research, you can read education books, but if you want to entertain yourself read a fiction books, these us novel, comics, as well as soon. The Humanitarian Intervention (War and Conflict in the Modern World) will give you a new experience in looking at a book.

Josephine Lowe:

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's soul or real their interest. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Humanitarian Intervention (War and Conflict in the Modern World) can make you sense more interested to read.

Sheila Donovan:

Reserve is one of source of knowledge. We can add our information from it. Not only for students and also native or citizen have to have book to know the change information of year to year. As we know those textbooks have many advantages. Beside we add our knowledge, can also bring us to around the world. With the book Humanitarian Intervention (War and Conflict in the Modern World) we can acquire more advantage. Don't someone to be creative people? To get creative person must love to read a book. Merely choose the best book that acceptable with your aim. Don't become doubt to change your life at this time book Humanitarian Intervention (War and Conflict in the Modern World). You can more attractive than now.
