## **Part Way to Utah : the Forgotten Mormons** Paul T. Trask

Part Way to Utah: the Forgotten Mormons surveys and Biblically analyzes the second largest branch of Mormonism, The Reorganized Church of Jesus Christ of Latter Day Saints (RLDS). Part Way to Utah presents a brief historical sketch of Joseph Smith and the RLDS church, differentiating it from Salt Lake Mormonism. It then follows the development of Joseph Smith's scriptures, priesthood structure and his concepts of Zion and latter-day Israel, all accompanied by careful Biblical analysis. The book concludes with some insights into the spiritual dilemma facing RLDS people and suggestions for ministry to them.
