The Art of Metal Clay, Revised and Expanded Edition (with DVD): Techniques for Creating Jewelry and Decorative Objects Sherri Haab

The bestselling *The Art of Metal Clay* returns—revised and expanded to highlight the latest developments in this exciting medium!

Since it was first published in 2004, *The Art of Metal Clay* has introduced thousands of readers to metal clay—the moldable, malleable clay that becomes pure metal after it's fired. Now author, designer, and jewelry-making instructor Sherri Haab has updated her classic book to include the most current and user-friendly information on this revolutionary material, including:

- the new bronze and copper clays, with must-have instructions for successful firing
- up-to-date, detailed information on firing with stones
- an improved method for calculating accurate ring sizes
- two recently developed techniques for etching metal clay
- new techniques for adding color, including working with pigments and enamels
- all-new, inspiring galleries of work by prominent metal clay artists
