Whitney is sure she has a connection with Wylie—a real life Cinderella story—when she visits her best friend, Indie, in Florida. The sparks seem to fly when things get heated, but just as quickly fizzle out. Three months later, Whitney makes the move to Florida, and is immediately submerged in the world of Wylie. Should she forget Wylie, or can she give him a second chance? Wylie meets his match in Whitney. Even though he isn't ready for the commitment Whitney desires when they first make a connection, Wylie soon learns he can't shake the little spitfire out of his mind. He knows he messed things up with her when he didn't bother to text or call like he promised, and he's willing to do anything to change her mind about him. Can he convince her to take a second chance on him, to prove himself worthy? Can she handle a man like him?
