Darius the Great

Jacob Abbott

Darius the Great Jacob Abbott

In describing the character and the action of the personages whose histories form the subjects of this series, the writer makes no attempt to darken the colors in which he depicts their deeds of violence and wrong, or to increase, by indignant denunciations, the obloquy which heroes and conquerors have so often brought upon themselves, in the estimation of mankind, by their ambition, their tyranny, or their desperate and reckless crimes. In fact, it seems desirable to diminish, rather than to increase, the spirit of censoriousness which often leads men so harshly to condemn the errors and sins of others, committed in circumstances of temptation to which they themselves were never exposed.
