Things between Maddie and Luke are moving faster than she ever anticipated. Despite their rocky start, he seems determined to win her heart. A private trail ride gives them some much needed time to talk, and Maddie finds herself falling helplessly for a man whose strict ways appeal more than she dares to admit.

Luke knows Maddie is conflicted about his dominant nature, and playfully issues a naughty dare to test her obedience. She longs to obey, but instead tries to trick him into thinking she did as he asked. Dishonesty can't be tolerated, and Luke shocks her with an even naughtier reminder that with him, bad behavior has consequences.

This *short story* of approximately 5300 words involves mature sexual content and domestic discipline (including spanking) between consenting adults. This is the second part of Luke and Maddie's story. Reading in order is recommended.
