Confidence Boost - Develop High Self-Esteem: Chakra Guided Meditation, Solfeggio Frequencies & Subliminal Affirmations Solfeggio Subliminals

This "confidence" subliminal Solfeggio program 639 Hz & 528 Hz was designed to assist the listener in gaining perception and energy alignment related to gaining confidence, unconditional positive self-regard, and a sense of personal empowerment.

This listening resource uses a combination of subliminal affirmations as well as sight-specific Solfeggio frequencies. Each topic tends to be associated with certain energy centers (chakras) of the body. For example, topics related to forgiveness and love tends to be related to the heart chakra. Therefore, the Solfeggio frequencies, induction, and affirmations of that particular program will all be related to the heart chakra. The intention of this is to give the listener an integrated healing or expanding experience within the mind, body, and spirit through sympathetic vibration.

The first chapter is geared toward listeners who prefer a more interactive experience as it features a meditative introduction, slightly audible affirmations, and a meditative conclusion. The second chapter features simply Solfeggio frequencies with subliminal affirmations for those who prefer a more ambient, or passive experience (to sleep, zone out or listen to in the background). The third and fourth chapter features an in depth overview of the program and specific Solfeggio/chakra descriptions.

When we become mindful of where we choose to place our attention, we become the masters of our own inner experiences. So sit back, relax, and enjoy the infusion of sacred sound, eastern philosophy, and western psychology with subliminal Solfeggios!

Please note that this resource is not intended to diagnose, prevent, or treat any disease or illness. It is always advisable to seek help from a qualified health provider in the event of mental or physical illness.
