Sophie, a 36-year-old French woman, feels completely out of place in an affluent suburban town. It wasn't her idea to move to the states. But when her husband Pierre's company offers a substantial raise if he transfers to the US, the young, childless couple are left with little choice.

After a year in the states, not only does she feel like an outcast, but she's also become bored, very bored, with her marriage.

She feels that her husband, once so thoughtful and romantic, has grown complacent. He no longer surprises her. He no longer gets hers damp down there.

Her eyes begin to wander. But none of the men in town interest her. That's until she crosses paths with a team of college polo players. Sophie's never had a threesome before. But she's certainly fantasized about it plenty of times. Her days of fantasizing are about to come to an end. She's about to experience the real thing: two hard bodied hunks pumping away, their hands roving up and down her flesh, mixing and mingling their juices, screaming and scratching and clawing, unleashing their most primal desires.

WARNING: These stories are Super Hot with explicit scenes of desire and passion that do not leave much to the imagination. This ebook is intended for adult eyes only!!
