**If you haven't yet read Sense and Sensibility, you now have a second chance to do so, right now.**

**If, like me, you're already a romantic stories addict, then you've probably read the book several times and will no doubt do so again.**

Sense and Sensibility follows the fortunes of the eldest Dashwood sisters, Elinor and Marianne (the third, Margaret, is too young to be of consequence)—Elinor is calm and practical, while Marianne is romantic and excitable. After the death of their father, the family sets up in Barton Cottage, where Elinor and Marianne are pursued by Edward Ferrars, the brother of their sister-in-law, and the dashing Sir Willoughby, as well as befriended by Colonel Brandon, whose affections lie firmly with Marianne. But there's something more to all three of these gentlemen, and it will take a trip to London and several surprising reveals to sort things out..... take it now.
