In *Stackin Paper 2*, Genesis is out for blood and redemption. He is on a mission to get retribution on the person responsible for murdering his best friend and to make it back to the love he left behind, Talisa. But as he closes in on his enemy the Feds begin closing in on him.

While CoCo sits alone in her jail cell, her regret turns to rage. As she begins putting the pieces to the puzzle together, it becomes apparent that the people she trusted the most were the ones who betrayed her.

Will Genesis and CoCo get revenge on the people responsible for bringing them down or will their payback cost them everything they love.
