Any shrink worth his leather couch will tell you the only way to conquer your fears is to face them. The problem is that doing so will usually require years of therapy.

Gary Larson humbly presents a better way: the "Scared Silly" Slimline Calendar. Got an irrational fear left over from childhood? Larson has it covered. Monsters under the bed or hiding in the closet? Check. Ghosts outside your bedroom door? Check. Zombie chipmunks? Yep. He'll even help you face those, too.

This format is perfect for those with limited space but an unlimited appetite for scary/silly fun. (And truth be told, the line between scary and silly is generally crossed pretty quickly in the world of "The Far Side,") The wire-bound slimline format is custom cut for narrow spaces. The calendar features twelve full-color cartoon panels.

So bedeck those refrigerators, lockers, and cubicles with this fit-anywhere calendar and cancel those costly visits with your therapist. After all, laughter isn't just the best medicine it's great therapy, too.
