Has it been longer than you care to say since you had a good laugh? If you screamed YES to any of these questions, then this book is definitely for you. We can journey together into a land of creative happiness gathering, where things that only exist in our minds can propel us to understanding, appreciating, and finding the true meaning of happiness. It's a fun and off-beat look at how things that don't exist yet show you how to view your life differently, and bring on joy every day. Wouldn't it be awesome to have a Magic-wave which whips up any meal for as many people as you need, just with one command (like in the Jetsons...) How about a Time Travel Watch? Where, and when would you like to visit? Take a break from your every-day and dream a little. You will smile, and hopefully feel inspired. Find in these pages true stories of hardship and joy which can guide you through the shortcuts to finding joy every day in your own life. But be prepared, it will not be hard, or time consuming. And you just may smile, or even laugh in the process. If you aren't up for fun of any kind, just keep moving, look elsewhere. If fun is your soon-to-be middle name, welcome. Enjoy the journey with me.
