" A Viktor E. Frankl Anthology is an anthology of quotations from the various English editions of the writings of the late medical doctor, psychiatrist, philosopher, psychologist and Holocaust survivor Viktor E. Frankl. I have selected quotations which are particularly relevant for men and women living in the 21st century. It may be used by priests, ministers, rabbis, psychiatrists, psychologists, social workers, educators, journalists, public speakers and even politicians.

A Viktor E. Frankl Anthology is a book meant for all human beings, because logotherapy is for everyone. It is not only a philosophy for a select few, but it is also for "the man in the street," to borrow a phrase from Frankl. In short, the purpose of the anthology is to make Frankl's ideas readily available to virtually anyone.
