Ace Hartley lives for the thrills. This bad boy loves 'em and leaves 'em, and he likes it that way. His family's wealth means he doesn't have to work for a living, so his employment as an exotic dancer is nothing more than a sexy diversion. In fact, he's just about ready to move on to the next adventure.

Gabriel Mueller despises his menial job. When he's presented with the opportunity to audition as a stripper, he leaps without looking - and lands in deep water. Before he even realizes he's in over his head, he's fallen under the spell of one devilishly handsome coworker.

Will the pleasure-seeking playboy take Gabriel into his bed for one night? Or could the good-looking geek give Ace a reason to stay at the Tool Shed?

Hard Wood is the first book of the Tool Shed of gay romance novels. It has a happily ever after ending and can be enjoyed as a standalone or as part of the collection.
