Spiritwalker, The Beginning Laura Silvana Aversano

A most untraditional spiritual tale, this is the story of Mariella, a Spiritwalker, who spends her life both burdened and blessed with extraordinary gifts bestowed upon her. This journey takes her through parallel realities, retracing an ancestral past in order to manifest a predestined future. In her human desire to find true love and help those who come to her, a battle between good and evil unfolds that involves both heaven and earth. It is a rare glimpse into a Spiritwalker's existence in both worlds. Are loyalty and love enough? Laura Silvana Aversano is an ancestral and medical empath and is a part of a long lineage of Spiritwalkers. Her written works on spirituality and healing can be found on her website www.LauraAversano.com. Laura lives in New York with her many animal companions.
