## The Orange Moon Affair: A Thomas Gunn Thriller (Volume 1) AFN CLARKE

Thomas Gunn (ex-Special Forces) and his partner Julie are running for their lives. Who are they running from? And why? It all starts when Thomas decides to investigate the mysterious murder of his billionaire father. He's shocked when his every move is blocked, especially by top levels of the UK government. But when his attempts to track down a supposed American business partner of his father's turn lethal, he and Julie become moving targets racing to outwit those who clearly want them dead. The danger rapidly escalates when Thomas is reluctantly compelled back into working for British Military Intelligence, exposing an international conspiracy that puts the freedom of the western world at grave risk.

But who are these ruthless conspirators? How did they get to wield such unimaginable power? And what dark secrets from the past will Thomas uncover, in his relentless quest for the truth? This action-packed thriller spans the UK, USA and Europe, and keeps you guessing to the very end!

As the son of an MI6 operative, a former officer in Britain's elite Parachute Regiment, a pilot, yachstman, race car driver and bestselling author, AFN Clarke brings his own unique and eye-opening experiences to this first book of the Thomas Gunn thriller series that's fast-paced, thought provoking and frighteningly real.
