## Assume the Positions Mari Carr

When Rachel's friend dares her to participate in a cougar affair, Rachel is tempted, yet terrified. To control her growing angst, she makes a list of eligible men then...Nothing. It's been too long and her divorce was too painful. She'll never be able to do this.

Ethan, one of Rachel's physical therapy patients, is annoyed when he learns of the challenge. Not because he finds it silly, but because he's not on Rachel's list! So he does what any self-assured young stud would do. The luscious police officer gives her a copy of the Kama Sutra then asks her to make a new list.

It's time for Rachel to assume the positions. With him.

Assume the Positions is a 17K word short, sexy novella and was previously released.
