Brand New Condition, this is a shop stock room find, it has never been on a shelf, and never been sold before. It was recovered from a closing down shop stockroom. Externally the book is in mint condition, colours are still bright and clean, the spine is perfect. There is a crease on the top right hand corner (see Photos), which is why, I am assuming, it was not offered for sale. internally all 62 pages are in brand new condition, and still has the original purchase price of £1.50 on the inside of the front cover. A perfect example of a vintage Bionic Women Annual From 1979. All Orders received before 4.00pm Mondays to Fridays are dispatched the same day.
