I wanted to make my move but there was just that hint of nervousness bubbling in the pit of my stomach, causing me a subtle ache, as I anticipated what might happen between us. But I was a leader, a risk taker, a girl who knew what she wanted and I most certainly wanted Raina.

Emily Gold, head chef for one of Chicago's most acclaimed French restaurants, is about to have her life turned upside down. She's been picked to compete on the hit reality TV show *Hot Chef!* Everything has been falling into place for Emily in regards to her career as a budding culinary mastermind. But when you dedicate as much of your life to your work as Emily has, some things are bound to slip away from you... like your love life.

All of that is about to change for Emily, however, when she's introduced to one of her fellow competitors. Raina appears to be introverted and sweet on the outside, but inside of her burns a flame of culinary talent that instantly draws Emily in. The two become fast friends and as the heat in the kitchen grows, so does the heat in their relationship. But reality TV is never drama free, as both Emily and Raina soon discover.

Will the desire Emily feels for her beautiful competitor overcome her desire to win *Hot Chef?* Or will this behind the scenes romance come out of the oven undercooked? Emily is determined to have it all, a great career and a partner to share it with, but the realities of unscripted television might just be writing a different script for this driven young chef.
