Parvati is an incarnation of the Divine Mother, Goddess Durga and wife of Lord Shiva. She is the gentler form of Goddess Durga and is a home-maker, with a husband and children. However, Goddess Parvati herself is very accomplished and skilled enough to fight the demons single-handedly. She too is considered to be a supreme goddess from whom other shaktis (divine energies) are derived. This book tells the tale of how Parvati won Lord Shiva as her husband and how she helped her husband during times of trouble.
