## **Lou Scheimer: Creating The Filimation Generation** Andy Mangels

Hailed as one of the fathers of Saturday morning television, Lou Scheimer was the co-founder of Filimation Studios, which for over 25 years provided animated excitement for TV and film. Always at the forefront, Scheimer's company created the first DC cartoons with Superman, Batman, and Aquaman, ruled the song charts with The Archies, kept Trekkie hope alive with the Emmy-winning Star Trek: The Animated Series, taught morals with Fat Albert and the Cosby Kids, and swung into high adventure with Tarzan, The Lone Ranger, and Zorro. Forays into live-action included Shazam! and The Secrets of Isis, plus groundbreaking special effects work on Jason of Star Command and others. And in the 1980s, Filimation single-handedly caused the syndication explosion with He-Man and the Masters of the Universe and its successors. Profusely illustrated with photos, model sheets, storyboards, presentation art, looks at rare and unproduced series, and more - plus stories from top animation insiders about Scheimer and Filimation's past - this book will show the Filimation Generation the story behind the stories!
