Ministering to the Gay and Lesbian Brian Williams

Controversy erupted when some churches chose to appoint openly gay pastors. Now questions are arising as to whether or not the body of Christ should recognize a "gay church." Scripture is quite clear on the matter of homosexuality. But how should someone minister to those in the gay and lesbian lifestyles? Williams supports the mantra of "love the sinner, yet detest the sin." Realize that a compassionate approach always means confronting the sin for what it is. To preach the Gospel of pure love, we must shun any deception that puts people in bondage.
