When you have entered The Grey Zone, there is a slow, steady spiritual blinding that takes place that is beyond normal comprehension. When you have lived in the ""Grey Zone"" you realize everyone is one step away from sin. It puts a whole new meaning to the definition of mercy. When you pass through the ""Grey Zone"" and into the ""Black Zone"" you are totally blinded by the very sin that lured you in. The ""Black Zone"" becomes the new ""normal,"" filled with excuses, lies and hypocrisy. If you are blessed enough to get out of the ""Black Zone,"" you will look back with brokenness, shame, hurt and pain only to learn that your pride has been shattered, your judgment of sin has been compromised, and your moral strength is only as strong as you choose to make it each and every day. You will also have a keen awareness and knowledge of the control of sin and the awesome understanding in the power of the cross. You will think before you pass judgment on anyone again. Scriptures will have new meaning and come alive with truth. Your relationship with God will never be inconsequential, it will forever be cherished.
