“Wo de sunzi you MAFAN!” Nolan Dean was having difficulty understanding. “Master Wong?” The caller was highly agitated (and English was not his first language). “Is that you?” The slender sleuth was certain it was his boyfriend’s grandfather. They’d met at the Church of the Transfiguration just last week. “Is Bohai in trouble? Please TELL ME!” So begins the latest title in the Nolan Dean Mystery Series, *The Clue in the Compromised Lung*, where the storm-cloud of AIDS darkens the villain’s trail. Fire dragons, fierce queens and a bevy of chorines match wits with the young detectives, Nolan and his best friend Jamal, as they set out to solve yet another baffling case.
