The name of this book is the T.R.U.T.H: The Rough Underlying Trials of Healing. I have come to learn that underneath every hurt I experienced behind every wound that has been inflicted upon me, God has deposited a nugget of truth that has carried me from pain to promise. The best approach to minor wounds is also the simplest and most natural that is to: clean the wound well, keep it clean, and expose it to the air. If signs of infection develop, such as redness, oozing, or swelling, a physician should be consulted. For me, so many of life pains kept entering into my life it was like a festering sore that never healed. Remember, a minor cut becomes a festering sore due to infection (unresolved issues). I thought healing was taking place, but because the issue wasn't dealt with properly (lack of air), the infection it would come back; 10 times as worse! website: <http://www.rjstrustgems.org/>
