A Thirty-Something Girl Lisa M. Gott

A Thirty-Something Girl follows the story of Hope. At the age of 30, she finds her life in utter shambles. Everything that could go wrong has – divorce, loss of a child, financial struggles. It is the love and unfettered support of her close friends who keep her from being lost in the quicksand of utter despair. As she slowly begins to wrap her head around who she is and what it means to be happy, she meets a man, Sam. Sam is also not a stranger to hardship and finds himself at his own crossroads. Together they find comfort and peace in one another; a soft, quiet place to fall, when the rest of the world is too hard and too noisy to inhabit. A Thirty-Something Girl is a story about the power of human resilience, the importance of friendships, and the magic of true love. It is a story that teaches us (and reminds us) that happiness is actually a very simple concept: it is a choice. A choice we must remember to make each and every day.
