## American Ghoul Walt Morton

It's 1977 and Howard Pickman has a terrible secret. If anyone finds out, it's death for everyone he loves. Even worse, he's the new kid at the most abysmal high school in America. All Howard wants to do is remain anonymous, but being a teenager can be dangerous. He'll have to fight true monsters in order to survive.

“A classic coming-of-age tale in the high-quality tradition of Mark Twain, Stephen King, and The Sex Pistols.”
