## At Issue in History - Tiananmen Square Massacre

The Tiananmen Square massacre in China shocked the world. In the days, months and years following the bloody confrontation between the Chinese Communist Party and the students and citizens of the country, scholars, journalists and ordinary people have struggled to mine the meaning of the event. This volume explores what may have lead to the massacre, what actually happened in the Square and surrounding areas, and what the world has learned more than a decade since the event.
