Help! My Child Is Driving Me Crazy! is a parental handbook needed in every home especially if there is a child who has been diagnosed with Attention Deficit Hyperactive Disorder.

This parental handbook is a practical easy to use book with real life behaviour problems you might be experiencing with your child. Each behavioural problem has an explanation and solution with clear instructions of how to solve the problem.

This is not a book to be read from cover to cover; instead it was written in an easy to follow workbook format to quickly understand the problem so that you can start implementing the solutions immediately.
