## **Moodle 2 for Teaching 7-14 Year Olds Beginner's Guide** Mary Cooch

You need no special technical skills or previous Moodle experience to use the e-learning platform to create fantastic interactive teaching aids for pre-teen and early teenage students. This book takes you from A-Z in easy steps.

- Ideal for teachers new to Moodle: easy to follow and abundantly illustrated with screenshots of the solutions you'll build
- Go paperless! Put your lessons online and grade them anywhere, anytime
- Engage and motivate your students with games, quizzes, movies, blogs and podcasts the whole class can participate in

### **In Detail**

Moodle is a very popular e-learning tool in universities and high schools. But what does it have to offer younger students who want a fun, interesting, interactive, and informative learning experience? Moodle empowers teachers to achieve all this and more and this book will show you how!

Moodle 2 For Teaching 7-14 Year Olds will show complete beginners in Moodle with no technical background how to make the most of its features to enhance the learning and teaching of children aged around 7-14. The book focuses on the unique needs of young learners to create a fun, interesting, interactive, and informative learning environment your students will want to go to day after day.

This is a practical book for teachers, written by a teacher with two decades of practical experience, latterly in using Moodle to motivate younger students. Learn how to put your lessons online in minutes; how to set creative homework that Moodle will mark for you and how to get your students working together to build up their knowledge. Throughout the book we will build a course from scratch, adaptable for ages 7 to 14, on Rivers and Flooding. You can adapt this to any topic, as Moodle lends itself to all subjects and ages.

### **What you will learn from this book**

- Set up your lessons directly onto Moodle to save paper and effort
- Get your students doing homework on Moodle so you can grade and give feedback online
- Use Moodle to encourage discussion and decision-making
- Introduce your children to the world of blogging within the safety of Moodle
- Get interactive with self-marking games and quizzes by including images, sounds, and animations
- Make movies and sound recordings to inspire your class
- Learn how to make games that will please both the children's need to play and your headteacher's need for assessment grades
- Make the most of what's free on the Web to get your children working and learning together

### **Approach**

This book is part of Packt's Beginner's Guide series. Written in a friendly tone, the book starts at the very beginning with a blank Moodle page and you are taken step by step through the most useful features of Moodle, helped with many illustrative screenshots.

## Who this book is written for

This book is for regular, non-technical teachers of pre-teen or early teenage children. It assumes no prior knowledge of Moodle and no particular expertise on the web. Classroom assistants may also find this book a very useful resource. We will assume that you have an installation of Moodle managed by somebody else, so you are responsible only for creating and delivering course content.
