## **House Train Your Puppy In Days!!!**

**Today only, get this Amazon bestseller for just \$2.99. Regularly priced at \$4.99. Read on your PC, Mac, smart phone, tablet or Kindle device.**

This ebook should serve just as a guide to give you some interesting hints and tips but you will find your own way with your own pup. You will want to build an understanding even when he's still young so that both can get the most out of your new relationship. With a bit of method and patience you'll find he wants nothing more than to please you every single day.

You're about to discover the fundamentals of obedience training, crate training and potty training. There are outlined pointers that will introduce you to the very essence of training your puppy. In addition, the guidelines that you will find within this book will enable you to have full control over your puppy through proper commands. This will also teach you how to properly motivate your puppy in times of accidents and discouragement.

By training your puppy or dog properly you are creating an important relationship between pet and owner. With this relationship comes mutual respect and with that respect comes a better relationship between the pet and the owner, making a happy household!!
