Toiling away at Horseweed's Tavern is Agnes Biggenbotten, whose name is more like a description. The poor thing, innocent as the day is long, is totally unaware of the stir she causes while she goes about her chores. The men-folk crowd into the pub every night to be mesmerized by her famous and-well-plump attribute. But alas, one man cannot simply watch the show and soon attempts to seduce the naïve Agnes. His death is discovered by a minister already convinced of her guilt, due to her absence in his church, and soon our heroine is accused of witchcraft, a crime she did not commit. Freed by one of her secret admirers, she flees her home. But where in the world can someone like Agnes run to? Will the exiled dandy Baron Dapplegrey be her savior or just another man wishing to sample her-um-assets? Above all, does she have the time to find out before Witch-Hunter Finneas Weevel, who is hot on her trail, brings her to justice?
