Horrific Happenings Vol. 1: A Dark Horror Anthology James Anthony

Alice and Sarah are being chased deep into a darkened moonlit forest. By what exactly, they aren't quite sure. Whatever it was, it quickly caught up to Alice first; ripping her to pieces - giving Sarah a desperate head start to escape as it fed upon the warm and still twitching remains of her most beloved best friend.

Stricken with fatigue and grief, Sarah eventually stumbles upon an old mysterious lit up house deep within the woods.. Will Sarah survive this cursed night? Or will she succumb to the same fate as her friend..

-From Author James Anthony comes a set of hauntingly twisted tales guaranteed to make you think twice before closing your eyes to fall asleep.

--This eBook contains 3 separate short stories and an exclusive prologue/epilogue which wrap everything up in a ominously demented fashion--

A Demons Test - Jacob was born without the gift of sight, something so many of us take for granted today. But in a sudden and bizarre freak accident he has been given a light of hope. Will Jacob live out the rest of his days able to enjoy what you and I do? Or will his conclusion entail something a little more sinister..

Goodbye: The Ouija Consequence Part 1 - Nick never knew why his Mother was so deathly afraid of Ouija Boards. When he and a friend bring one into the house, Nick will soon discover how tools for communicating with the dead can be detrimental to anyone involved.. even his baby sister Kara..

Zombie World: The Rapture Of 2012 - You've all heard of Revelations. Skeptics say that there is no god. That the wrath he is capable of is nothing but fiction, a story created by thousands to right the wrong doers of this planet. But.. what if all of it was true?..
