Macroéconomie (French Edition)

Olivier Blanchard, Daniel Cohen, David Johnson

Macroéconomie (French Edition) Olivier Blanchard, Daniel Cohen, David Johnson

Véritable livre de référence, Macroéconomie bénéficie de la rencontre d'un double point de vue : celui de l'auteur de l'édition américaine, Olivier Blanchard, un des meilleurs spécialistes de l'économie mondiale, et celui de son également célèbre coauteur, Daniel Cohen, à qui l'on doit cette édition européenne francophone. Complet, accessible et attractif, ce manuel est particulièrement adapté à des étudiants en Licence. Parmi les sujets couverts : Tous les concepts de la discipline : PIB, croissance, inflation, politique économique, marché du travail, chômage, modèle IS/LM, courbe de Phillips, taux de change, etc. Les écoles de pensée : Keynes et les classiques, Milton Friedman, l'école des anticipations rationnelles, la nouvelle école classique et la nouvelle école keynésienne. Les grands événements économiques et les tendances structurelles : Grande Dépression, hyperinflation, chômage en Europe, inégalités aux Etats-Unis. Riche en applications et illustrations, cette nouvelle édition intègre de nombreux changements et approfondissements : Les leçons de la crise pour comprendre l'économie mondiale d'aujourd'hui ; Le passage d'une sécurisation individuelle des institutions financières à une logique plus globale émanant de l'Etat et non du marché (provisionnement et réserves obligatoires, etc.) ; Le recours aux politiques monétaires non conventionnelles (création monétaire, assouplissement du crédit) ; La relance budgétaire de ces dernières années. L'évolution des très hauts revenus ; Enfin, l'ensemble des données chiffrées (chômage, inflation, croissance, PIB, etc.) ont été actualisées.

From reader reviews:

Steven Whitney:

Book is actually written, printed, or illustrated for everything. You can know everything you want by a book. Book has a different type. We all know that that book is important thing to bring us around the world. Next to that you can your reading proficiency was fluently. A e-book Macroéconomie (French Edition) will make you to always be smarter. You can feel more confidence if you can know about every thing. But some of you think that will open or reading a new book make you bored. It is not make you fun. Why they could be thought like that? Have you looking for best book or suited book with you?

Felix Talarico:

Reading can called brain hangout, why? Because when you find yourself reading a book especially book entitled Macroéconomie (French Edition) your thoughts will drift away trough every dimension, wandering in each and every aspect that maybe unfamiliar for but surely might be your mind friends. Imaging each word written in a publication then become one application form conclusion and explanation which maybe you never get ahead of. The Macroéconomie (French Edition) giving you an additional experience more than blown away the mind but also giving you useful information for your better life on this era. So now let us show you the relaxing pattern this is your body and mind are going to be pleased when you are finished studying it, like winning a casino game. Do you want to try this extraordinary investing spare time activity?

Marissa Wegener:

A lot of book has printed but it differs from the others. You can get it by web on social media. You can choose the most effective book for you, science, comic, novel, or whatever simply by searching from it. It is referred to as of book Macroéconomie (French Edition). You can include your knowledge by it. Without making the printed book, it might add your knowledge and make you actually happier to read. It is most important that, you must aware about reserve. It can bring you from one spot to other place.

Sheri Williams:

What is your hobby? Have you heard which question when you got pupils? We believe that that concern was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. So you know that little person similar to reading or as reading through become their hobby. You should know that reading is very important in addition to book as to be the thing. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You will find good news or update about something by book. A substantial number of sorts of books that can you take to be your object. One of them is Macroéconomie (French Edition).
