Smut: A Standalone Romantic Comedy Karina Halle

Smut is a standalone, tongue-in-cheek romantic comedy from the NYT bestselling author of *The Pact*. -- What happens when the kink between the pages leads to heat between the sheets?-- All Blake Crawford wants is to pass his creative writing course, get his university degree and take over his dad's ailing family business. What Amanda Newland wants is to graduate at the top of her class, as well as finish her novel and prove to her family that writing is a respectful career. What Blake and Amanda don't want is to be paired up with each other for their final project but that's exactly what they both get when they're forced to collaborate on a writing piece. Since Amanda thinks Blake is an arrogant jerk (with a panty-melting smirk and British accent) and Blake thinks Amanda has a stick up her (tight, round) bottom, they fight tooth and nail. That is until they discover they write well together. They also might find each other really attractive, but that's neither here nor there. When their writing project turns out to be a success, the two of them decide to start up a secret partnership using a pen name, infiltrating the self-publishing market in the lucrative genre of erotica. Naturally, with so much heat and passion between the pages, it's not long before their dirty words become a dirty reality. Sure, they still fight a lot but at least there's make-up sex now. But even as they fall hard for each other, will their burgeoning relationship survive if their scandalous secret is exposed or are happily-ever-afters just a work of fiction? NOTE ABOUT THE BOOK: Smut has coarse language and many explicit scenes of a sexual nature (sensitive readers be advised). However, the title of Smut is tongue-in-cheek, and this book should not be considering erotica.

From reader reviews:

Nellie Davis:

The book Smut: A Standalone Romantic Comedy can give more knowledge and information about everything you want. Exactly why must we leave a good thing like a book Smut: A Standalone Romantic Comedy? Wide variety you have a different opinion about book. But one aim in which book can give many info for us. It is absolutely appropriate. Right now, try to closer with your book. Knowledge or data that you take for that, you could give for each other; you are able to share all of these. Book Smut: A Standalone Romantic Comedy has simple shape however, you know: it has great and big function for you. You can look the enormous world by start and read a reserve. So it is very wonderful.

Anthony Parker:

Are you kind of hectic person, only have 10 or perhaps 15 minute in your day to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you have problem with the book as compared to can satisfy your short time to read it because pretty much everything time you only find e-book that need more time to be study. Smut: A Standalone Romantic Comedy can be your answer since it can be read by a person who have those short spare time problems.

Patsy Phan:

Is it a person who having spare time subsequently spend it whole day by watching television programs or just lying down on the bed? Do you need something new? This Smut: A Standalone Romantic Comedy can be the reply, oh how comes? It's a book you know. You are and so out of date, spending your spare time by reading in this brand-new era is common not a nerd activity. So what these books have than the others?

Amy Quist:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Smut: A Standalone Romantic Comedy can make you experience more interested to read.
