So You Want To Be President? John Warner

In theory, there are only two qualifications needed to run for President of the United States: you should be 35 years of age and a natural born U.S. citizen. But what else does one need to be a contender? Whether you're an elephant or a donkey, or whatever animal may be associated with an independent candidate, this book is the key to finding out if you're cut out for the job.

So You Want to Be President? Takes you from choosing your party affiliation, through the primaries and ultimately to the general election. Along the way quizzes, tests and obstacles test your presidential mettle. In the back of the book is a handy scorecard for readers to track their progress toward 1600 Pennsylvania Avenue.
