The Old, Weird America: The World of Bob Dylan's Basement Tapes Greil Marcus

A Special Edition with a New Introduction and an Updated Discography

This is Greil Marcus's acclaimed book on the secret music made by Bob Dylan and the Band in 1967, which introduced a phrase that has become part of the culture: "the old, weird America." It is this country that the book maps—the "playground of God, Satan, tricksters, Puritans, confidence men, illuminati, braggarts, preachers, anonymous poets of all stripes" (Luc Sante, *New York* magazine). In honor of Dylan's seventieth birthday, this special edition includes a new introduction, an updated discography, and a cover featuring never-before-seen photographs of the legendary recording sessions.
