The history of Wesleyan family of churches doctrines

What are our core beliefs? *Doctrinal Standards in the Wesleyan Tradition, Revised Edition*, narrates the history of the formation of Wesleyan doctrines, describing how they were transplanted from the British Isles to North America, how they became constitutionally protected in Wesleyan-rooted churches.

The first edition of this book affected the outcome of the 1988 General Conference of The United Methodist Church as the delegates decided many then-disputed doctrinal issues. This revised edition addresses the continuing hunger for more precise and useful information on the doctrinal traditions of mainline Protestantism. Hence the arguments have been updated with more than 400 changes.

Included are doctrinal statements for the Evangelical United Bethren, Free Methodist, Methodist Protestant, Wesleyan, Nazarene, African Methodist Episcopal Zion, Christian Methodist Episcopal, and African Methodist Episcopal Churches; as well as an outline syllabus of a Course on the Articles of Religion.
