The Chinese art book book explores the identities of eight Chinese rulers—seven emperors and one empress—who reigned from the early 12th through early 20th centuries. They are portrayed in a story line that highlights artworks of their eras, from the dignified Song to the coarse yet subtle Yuan, and from the brilliant Ming until the final, dazzling Qing period. *Emperors' Treasures* examines each ruler's distinct contribution to the arts and how each developed his or her aesthetic and connoisseurship.
