This is a horror novelette of around 12,500 words and about 80 pages in length

“Shaun Hupp is a high quality author of darkness. When the horror kicks in, his work can make you gasp for air.” –Terry M. West, author of Dreg

Life’s not fair for Matt. Being overweight and bullied all his life has turned him into a loner. Rather than venturing out into the world, he’d rather stay up in his room watching porn and eating fast food.

But his world is about to change. One Saturday afternoon while he’s home alone, the doorbell rings. Matt meets the girl of his dreams.

However, this is NOT a simple love story....

This is NOT a tale of love at first sight....

This is NOT going to end well for anybody...

Who will survive.... **POUND**

Word of Warning: This is an extreme horror tale. There is plenty of blood, gore, sexual content, and explicit language to offend those who are easily offended.

You have been warned. Do you proceed?
